⇒ What academic disciplines interest you most?

⇒ Have you taken an English proficiency test the results of which are no more than two years old, meaning dating from December 2015 or later ? If you have, what is your overall score? Be careful : some partner universities require minimum subscores as well.

⇒ Is your passport valid until the end of November 2019? If it is not, you need to renew your passport as soon as possible. Not doing by December 2017 will result in a delay in the processing of your exchange application by the partner university.

⇒ In order of priority, list your current partner university choices. You may mix geographic zones.
