LIEPP Governance

Scientific Committee

LIEPP's Scientific Committee is consulted on all aspects related to the research projects of the laboratory, recruitment and the development of the scientific cooperation of the laboratory.

**Members**

The committee is made up by the heads of the research units involved in the project or their representatives who are the founding entities of the LIEPP; the Centre d'Études Européennes (CEE), the Department of Economics, the Centre of Sociology of Organizations of Sciences Po (CSO) and the Sociological Observatory of Change (OSC) as well as the Scientific Direction of Sciences Po.

Strategic Advisory Board

The Strategic Advisory Board brings together experts from disciplines involved in the evaluation of public policies, and highly qualified individuals. It advises the directors of LIEPP on the lab's strategic and scientific direction.
