INTERNATIONAL AFFAIRS
IN PARIS

9 MASTER'S PROGRAMS ■
23 CONCENTRATIONS ■
10 INTERNATIONAL DUAL DEGREES ■

One of the most prestigious schools in Europe, Sciences Po offers tomorrow's global leaders innovative and career-oriented master's programs in international affairs.

Sciences Po has cultivated the minds of leading diplomats, government officials, and key international stakeholders around the world for over a century. Consolidating this tradition of excellence, the Paris School of International Affairs provides graduate students with groundbreaking insight into global affairs.

A bilingual professional school (English-French)

Attracting the best and brightest students worldwide, **PSIA has an international student population of 70%.**

With 65% of courses taught in English, students may take a full course of study in English, and become multilingual while in Paris.

At the forefront of global affairs

The PSIA curriculum combines conceptual foundations and current research, with the approach of professional practice. In addition to Sciences Po's **outstanding faculty**, 50% of the teaching staff are internationally-renowned practitioners.

With the support of academic advisors, graduates complete the two-year program, which includes a full semester internship, and are thus well-positioned to pursue high-profile careers, joining the vast network of Sciences Po alumni across continents.

PSIA's career office works extensively with students to find the right merger of intellectual capital, individual objectives, and professional achievement.

“I could not have asked for a more wide-ranging and enriching educational experience than the one provided by the Paris School of International Affairs. The Master’s programme manages to be challenging and fun, academic and practical, career-oriented and intellectually stimulating, all at the same time. For two years I have been in the heart of Paris, surrounded by an eclectic and international student body, learning from the best and generally having the time of my life. I would recommend PSIA to anyone who asks.”

Edwin, PSIA’13, Master in International Development (Cum Laude)
Concentrations in Emerging Economies and Middle East

“Seen through the prism of my students these past two years, widely diverse both geographically and socioeconomically, PSIA is making a distinctive mark as a cutting-edge crucible of global citizenship.”

Alvaro de Soto, PSIA Distinguished Professor of Practice, renowned international mediator, and former UN Under-Secretary-General
