# Paris-London Public Economics Conference

Paris, December 7 - 8th, 2023

## WELCOME PAGE

Sciences Po Department of Economics – 28 rue des Saints Pères – 75007 Paris

**We extend the warmest of welcomes to economists from the United Kingdom, France, from across Europe, and from the rest of the world!**

**Our humblest of thanks to the *Centre for Economic Policy Research* (CEPR) for their invaluable assistance in helping us bring this meeting together.**

We also gratefully acknowledge the financial support of our partnership with the *Banque de France*, of the *European Research Council* (ERC) and of the *Agence nationale de la recherche* (ANR).

**Here is a rundown of what we think you should know.**

**The Paris-London Public Economics Conference is an annual, two-day conference** organised by faculty at the Department, the *London School of Economics* (LSE), *University College London* (UCL), the *Institut des Politiques Publiques* (IPP, a PSE-CREST partnership), the *Institute for Fiscal Studies* (IFS), and the *Centre for Economic Policy Research* (CEPR).

- *There are six sessions organised, on a wide variety of topics in public economics over two days;*
- **A public policy panel on the topic *The Taxation of High Income and Wealth* is organised on Thursday evening;**
- **Two social events:**
  - A **dinner** is organised on Thursday evening (invitation only);
  - A reception will be held on Friday at the *Banque de France*
- **Coffee and lunch** will be provided on site.

**\*IMPORTANT\*** We would like the 2023 *Paris-London PE Conference* to be as an enriching, intellectually challenging experience as possible for all: **a successful conference is a harassment-free and inclusive conference!**

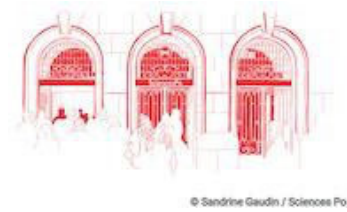

**Everyone should feel comfortable** - regardless of gender, gender identity and expression, age, sexual orientation, disability, physical appearance, ethnicity, religion, or status - **at all times**, throughout the conference and during social events.

**Please do not hesitate to contact your representative from Sciences Po (see above) if you encounter a problem!**

**Welcome**
