

**Time (CET)**

**Session**

 1 Saint-Thomas, 75007, Paris, France

**10 am - 10.30 am**

*Welcome coffee and arrival*

**10.30 am - 12.30 pm**

*with 15 minutes  
break*

**DATA GOVERNANCE: A BATTLE OF NARRATIVES - ROUNDTABLE**

This session will address and compare the different governmental approaches to data governance, from Europe, the US, Japan, and India, as well as the discussions taking place in international fora, such as the G7, G20, and the OECD. The discussion will identify how different normative approaches are attempting to address how to responsibly unlock the value of data and the impact this is having on our digital societies.

**Moderator**

- Bertrand de La Chapelle, Chief Vision Officer, Datasphere Initiative

**Lead discussants**

- Beatriz Botero, Assistant Professor of Law, Sciences Po
- Marielza Oliveira, Director for Division for Digital Inclusion and Policies and Digital Transformation and Secretariat of the Information for All Programme, UNESCO
- Rose Payne, Digital Policy Manager, International Chamber of Commerce
- Audrey Plonk, Head of Division Digital Economy Policy, OECD

**12.30 pm - 2 pm**

*Lunch break*

**2 pm - 4 pm**

*with 15 minutes  
break*

**MODELS FOR UNLOCKING THE VALUE OF DATA FOR ALL - ROUNDTABLE**

This session will explore innovative efforts by a variety of actors to create operational data sharing frameworks and some of the practical challenges they are faced within that context. Participants will be invited to share their work on developing new technology and policy solutions for data-sharing and share experiences on how data communities are shaping this landscape and spearheading innovative practices.

**Moderator**

- Carolina Rossini, Director, Partnerships & Research, Datasphere Initiative

**Lead discussants**

- Jeremy Bradley, Chief Operating Officer, Zama
- Mélanie Dulong, Permanent researcher, French National Centre for Scientific Research
- Joe Massey, Senior Researcher, Open Data Institute
- Suha Mohamed, Strategy & Partnerships, Aapti Institute
- Angie Raymond, Associate Professor, Indiana University

**4 pm - 5 pm**

**LOOKING FORWARD**

This session will reflect on the day's discussion and identify connections between participants and work portfolios. Participants will discuss how existing and future work can be supported to develop a common mission on the need to responsibly unlock the value of data for all.

**Moderator**

- Lorryne Porciuncula, Executive Director, Datasphere Initiative

**Lead discussants**

- Beatriz Botero, Assistant Professor of Law, Sciences Po
- Laura Galindo, Privacy Policy Manager, AI Policy and Governance, Open Loop
- Stephen Macfeely, Director of Data and Analytics, WHO

**5 pm - 6 pm**
