OUTGOING

Managing your exchange programme abroad

GUIDE

Information about your exchange programme file:

- For students wishing to go on an exchange programme with a Sciences Po partner, you must start building up your file:
 - If you are at **Undergraduate College**: 6 partner universities
 - If you are studying for a **Master's**: Maximum 3 partner universities
- You must select universities in **order of preference**
- The International Affairs Division officers, when reviewing your application, will assess the overall profile of the application, the motivation and coherence of the student's project, the academic results, and the language level.
- The final decision will take place in an assignment committee composed of Representatives from initial training, Sciences Po careers, and the IAD, and teachers and students who will consider the students' applications on the basis of the elements provided in the file. Decisions will be made in the following days and will be published on the personal account of the Outgoing app.
- It is your responsibility to **verify the data in your file**. In case of any administrative errors, contact the registrar office.
In case of an error regarding your language levels, contact the language department:
 - **Undergraduate College** : langues1ercycle.paris@sciences-po.fr
 - **Master** : languesmaster.paris@sciences-po.fr

Logging in

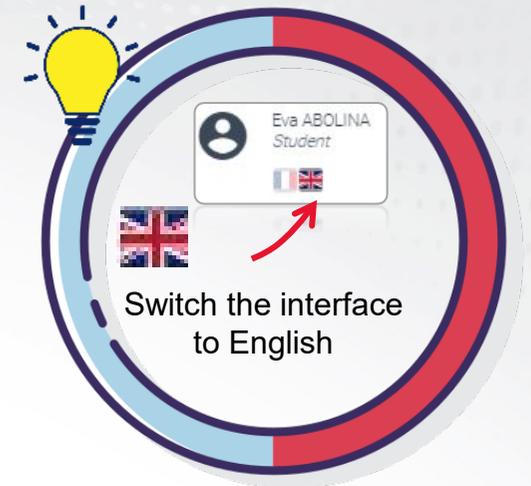

Connect to the **Outgoing** app at the following address: <https://outgoing.sciencespo.fr> by using your login details of first **name.surname** and your usual password.

Input My Application

1 In the main menu on the left, choose your year of study

2 Then click on the heading « **Input My Application** »

3 Complete the **5 steps** of the file (detailed on the next page) by navigating through the « **Next** » and « **Previous** » buttons

Step icons

- 3 Step to complete
- ✓ Step completed
- ⚠ Elements missing

File navigation buttons

A note

Fields marked with an asterisk * are **mandatory**

SAVE

Save to finalize the folder later

The 5 steps of the file

1 Introduction

Explanation of how to complete the file and consent to data collection

Student: I have read and I agree the **conditions of use and data processing**

2 Personal details

- Verifying your data
- Completing « Your language level » and « Your previous background » for master's students

Your language level * Informations manquantes

Your previous background Informations manquantes

3 Choose project type

Check your preferences

I am willing to complete my exchange

I would prefer to complete my exchange

4 Describe your project

Undergraduate Student: 6 possible choices
Master's Student: 3 possible choices

a Make a choice

- Click on the « **Country** » section and choose the desired country.
- Then click on « **University** » and select your choice.
- Fill in the fields under the headings « **Campus** » et « **Department** ».

Mes choix Vous avez formulé 0 souhait(s)
