

Kuwait Program at Sciences Po Student Paper Award – Spring 2018

Research Papers related to the Arab World or Gulf Region

The **Kuwait Program at Sciences Po** is a partnership between Sciences Po and the Kuwait Foundation for the Advancement of Sciences (KFAS). Working together, the two institutions support research and teaching of excellence in social sciences and humanities, with a special emphasis on the Arab World and Gulf Region.

The **Kuwait Program Student Paper Award** distinguishes outstanding papers written by Master students at Sciences Po, and Master students / fourth year Bachelor students in Kuwait on a topic related to the study of the Arab World or Gulf Region.

CALL FOR PAPERS — SCIENCES PO MASTER STUDENTS

The Kuwait Program at Sciences Po invites professors teaching in the following participating courses (Spring semester 2018) to nominate outstanding papers for this competition.

Participating Courses

At the **Doctoral School** of Sciences Po:

- Master programs in [History](#), [Political Science](#) and [Sociology](#)

At the **Paris School of International Affairs** of Sciences Po:

- [Concentration in Middle East Studies](#)

Requirements

- Proposed papers must deal with questions related to the Arab World or Gulf Region. Papers in all social sciences and the humanities are accepted.
- Proposed papers must have been written as a requirement for validating the course in the fall semester (other types of written deliverables are accepted as well). Ad-hoc papers will not be considered.
- Papers must be written in English.
- Students must be enrolled at the Master level at Sciences Po. Dual degree students and exchange students at the Master level are also eligible.

Paper Submission

- Outstanding papers will be nominated by professors teaching in the above-mentioned courses by **Tuesday, May 15th 2018** and sent by email to: morgan.packer@sciencespo.fr with 'Kuwait Program Paper Award Spring 2018' in the subject line.
- Please note that professors may submit no more than 2 papers per course.
- Students will then be contacted to get their approval in taking part in this competition.
- A joint KFAS-Sciences Po committee will review the papers. Results will be announced by June 2018.

Award

The authors of the selected papers will receive a prize of **750 Euros**. Their work will be published on the Kuwait Program website.
