Is recruiting
For the laboratory for interdisciplinary evaluation of public policies (LIEPP)
A POSTDOCTORAL RESEARCHER

The laboratory for interdisciplinary evaluation of public policies (LIEPP) is an "excellence laboratory" (Labex), financed for ten years, within the framework of the "Investissements d'avenir", a national program of investment in promising research projects. Its purpose is to develop an interdisciplinary scientific approach to the field of public policy evaluation. It aims to improve the development, evaluation and renewal of public policies. It also contributes to the transparency of public policies regarding politicians and citizens.

TASKS

Placed under the responsibility of one of the directors of the Educational Policies Research Group of LIEPP and the Head Manager of LIEPP, you will participate to the activities of the research group and be involved in a large-scale comparative project on class analysis, skills and labor market inequalities.

Candidates are expected to have an excellent academic background in quantitative analysis, including demonstrated expertise in the management of large statistical databases and multivariate modeling. Familiarity with the sociological literature on social stratification and prior exposure to international research environments are particularly welcome.

REQUIRED SKILLS

- PhD in social sciences
- Expertise in statistical methods
- Knowledge of sociological literature on social stratification
- Experience in international research environments
- Great organizational capacity, rigor and autonomy
- Knowledge of office tools (Word, Excel, PowerPoint, Internet).
- Excellent knowledge of English, written and spoken
- Excellent synthesis and writing skills
- Basic knowledge of French appreciated

STATUS

- Two years full time contract (36:30 hours / week) starting in January 2020.
- Remuneration: according to qualification

RECRUITEMENT PROCESS

Interviews will be held with Carlo Barone, codirector of the Educational Policies Research Group of LIEPP and Andreana Khristova, Head Manager of LIEPP.

For more information about the position please contact carlo.barone@sciencespo.fr

To apply, please send your CV and a short cover letter with a description of your research expertise and interests to liepp@sciencespo.fr with « Candidature – Postdoc politiques éducatives » in the subject of the message

Applications requested before October 31st, 2019
