JOB POSITION: POST-DOCTORAL RESEARCH FELLOW IN DATA ANALYSIS

Project: *"Coping with Covid-19 (CoCo). Social distancing, cohesion and inequality in 2020 France"*.
Funding: Agence nationale de la recherche, ANR.

Full-time position of post-doctoral research fellow at Sciences Po, Observatoire sociologique du changement (fixed-term contract, 12 months).

JOB DESCRIPTION

The Observatoire sociologique du changement (OSC) invites applications for a postdoctoral fellowship to support the ANR-funded project *Coping with Covid-19 : Social distancing, Cohesion, and Inequality in 2020 France (CoCo)*:

<https://www.sciencespo.fr/osc/fr/content/faire-face-au-covid-19.html>

Using a social inequality lens, this project assesses the social effects of the COVID 19 epidemic and lockdown in France by drawing on a unique empirical design based on longitudinal tracking of the ELIPSS panel and using a wide range of socio- economic, socio-psychological and sociopolitical indicators. The post-doc Fellow is expected to support members of the research team in analyzing data collected during the first six months of the project and transform these analyses into research papers and academic publications. He/She will also be in charge as research manager, supporting the project's scientific director (Ettore Recchi) in coordinating all research activities. The Fellow will have also the opportunity to develop personal research leveraging the project's data.

Particular skills: expertise in advanced statistical modeling and treatment of panel data, capacity to work in both French and English, proven publication record.

The selected candidate will be hosted at the Observatoire sociologique du changement <http://www.sciencespo.fr/osc/fr>.

REQUIREMENTS

- PhD in sociology or other social sciences
- Excellent English in writing and communication and knowledge of French

RECRUITMENT PROCESS

The application must include the following documents:

- CV
- Motivation letter
- A post-doc research project abstract, related to the CoCo project (2 to 5 pages)

Applications must be electronically submitted before the 30 September 2020 to:

marie.ferrazzini@sciencespo.fr

POSITION COULD START FROM THE 1ST OF OCTOBER 2020.
