CURRENT AFFILIATIONS

Member of the Decision-Making in Contexts of Adversity research group   *Since 2022*

Member of the International Public Policy Association   *Since 2022*

Laboratory for Interdisciplinary Evaluation of Public Policies (Sciences Po)   *Since 2021*
LIEPP, affiliated researcher

Center for Research of Social Inequalities (Sciences Po)   *Since 2021*
CRIS, main affiliation

Evolution and Social Cognition Team (Department of Cognitive Science, PSL)   *Since 2019*
ESC team, affiliated researcher

EDUCATION

Ph.D. Program   *September 2021 - Present*
Sciences Po, Paris & École normale supérieure (ÉNS)
Provisional title : *Cognitive and structural determinants of the early childcare enrolment gap according to socioeconomic and migratory background.* Co-directed by Carlo Barone (Professor of Sociology, CRIS, Sciences Po) and Coralie Chevallier (Cognitive Scientist, IJN, École normale supérieure/ PSL University)
Qualitative fieldwork implying around 120 qualitative interviews (59 with policymakers and other relevant stakeholders, and 67 with expectant women and parents newborns from various socioeconomic backgrounds); Implementation of a Randomized Controlled Trial over 1860 pregnant mothers from various socioeconomic backgrounds ($N_{low-SES} = 732$) targeting informational and behavioral barriers to early childcare in Paris region.

Master 2 in Cognitive Science   *September 2020 - July 2021*
PSL university - École normale supérieure (ÉNS)   **Ranking : 1/54**
Research Master's degree in cognitive science from PSL University, Paris.   With highest honors.

Gap year dedicated to research   *September 2019 - September 2020*
École normale supérieure / PSL University & Sciences Po, Paris
Départment d'études cognitives (DEC, ÉNS) & Interdisciplinary Lab for Public Policy Evaluation (LIEPP, Sciences Po Paris) : Research assistant

Master 1 in Cognitive Science   *September 2018 - June 2019*
PSL university - École normale supérieure (ÉNS)   With highest honours.
First year of the research Master's degree in cognitive science from PSL University. No ranking available.

Bachelor in Liberal Art and Sciences (Sciences & Humanités)   *September 2015 - June 2018*
Aix-Marseille université   **Ranking : 1/64**
Selective Bachelor's degree (64 places) based on the practice of transdisciplinarity.   With highest honors.
I was able to acquire solid theoretical and methodological bases in experimental sciences (physics, mathematics, neurosciences, psychology, ecology) and in human sciences (sociology, anthropology, philosophy).

GRANTS AND AWARDS

LIEPP grant winner (47k) *November 2022*
Research grant for the project *Cognitive and structural determinants of the early childcare enrolment gap according to socioeconomic and migratory background : a randomized controlled trial*

Ardian foundation grant winner (30k) *November 2022*
Research grant from the Ardian foundation for the project *Cognitive and structural determinants of the early childcare enrolment gap according to socioeconomic and migratory background : a randomized controlled trial*

Mustela foundation award winner (6k) *November 2022*
Research prize for the project *Cognitive and structural determinants of the early childcare enrolment gap according to socioeconomic and migratory background : a randomized controlled trial*

Caisse Nationale des Allocations Familliales grant (20k) *May 2022*
Research grant for the project *Cognitive and structural determinants of the early childcare enrolment gap*

Sciences Po Scientific Advisory Board (40k), jointly with Carlo Barone *June 2021*
Research grant for the project *Unequal access to early childcare : a longitudinal, experimental study*

TEACHING

Interdisciplinary evaluation methods of SDG policies *Spring 2023*
Full title : *Interdisciplinary evaluation methods of SDG policies : psychology, sociology, and economics*
Complete course (20h) for the undergraduate program "Sciences for a sustainable world", PSL University

Poverty and decision making : A cognitive approach *Fall 2022*
Class given for the course "Cognitive approaches to political behavior", Sciences Po

Poverty and inequalities : the case of early childcare access *Fall 2022*
Class given for the course "Behavioral insights and political behavior", Sciences Po

Social Inequalities in Western Countries *Fall 2021*
Full title : *Social Inequalities in Western Countries : institutional origins and political consequences*
Teaching assistant, With Prof. Carlo Barone, Sciences Po, Paris

Introduction to Cognitive Science *From 2021*
In charge of the Social Cognition module (6h) with Léonard Guillou, PSL University, Paris

The observation and cognitive development of young children *Fall 2021*
Training sessions for early childhood professionals from the Mother and Child healthcare centers of the city of Paris, for Rising Up Paris

Conducting a project between Cognitive Sciences and Society *October 2021*
Full title : *Conducting a project between Cognitive Sciences and Society : the case of a Linked In group to promote exchanges between researchers in Cognitive Sciences and journalists*
Cognitive Science & Society course, PSL University

PRESENTATIONS IN CONFERENCES

"Early childcare decision-making for low-SES populations"   *28/11/2022*
Presentation at the Evolution, Cognition and Culture conference (Saint-Jacut-de-la-Mer)

"Determinants of the early childcare enrolment gap : a mixed-methods randomized controlled trial" *21/06/2022*
Presentation at the annual integration seminar of the LIEPP (Sciences Po)

"Unequal Access To Early Childcare : A Longitudinal, Experimental Study"   *10/01/2021*
Presentation at the 5th International Workshop "Experiments in education and labor market research" organized by the WZB Berlin Social Science Center

"A literature review on policies to support the development of young children's capacities : contributions and challenges of the PRISMA methodology"   *11/10/2020*
Presentation at a workshop of the Interdisciplinary Lab for Public Policy Evaluation (LIEPP, Sciences Po) on systematic reviews of the literature

OUT OF THE LAB COMMUNICATIONS

YouTube interview for the Mustela fundation   *01/2023*

Vers une réduction des inégalités d'accès aux crèches   *12/2022*
Written interview for the Mustela fundation

L'apport des sciences comportementales pour lutter contre les inégalités dès la petite enfance   *12/2022*
Interview for the DEC news n°66

Sociologie et sciences cognitives. L'interdisciplinarité pour comprendre les inégalités.   *06/2022*
Interview for the YouTube channel "Cog Sci, Phil & Chill"

SCIENCE OUT OF THE LAB AND SELECTED ENGAGEMENTS

Mentoring program, *Les cordées de la réussite* *2022 - Present*
Coming from a low-SES background myself, I regularly meet and present my academic path to high-school children coming from very deprived french neighborhoods.

Talks Organizer, DEC Alt Ac, Département d'étude conitives (ENS) *June 2022 - Present*
In charge of the monthly DEC Alternative to Academia seminars, which invite people in the field of Cognitive Science that did not pursue an academic career (e.g, science popularisation, consulting, etc.)

Board member, ACTE Lab *January 2020 - Present*
ACTE Lab is a research community that produces research to better understand and address the human (cognitive, behavioural, sociological) dynamics of transformation, mitigation and adaptation in response to climate change and ecosystem destruction.

"Premiers pas" Seminar (Cnaf, HCFEA, France Stratégie) *February 2020 - June 2021*
Organized by the Caisse nationale des allocations familiales, France Stratégie & the Haut Conseil de la famille, de l'enfance et de l'âge, concerning the development of a concerted public policy in early childhood. Participation in the preparatory committee, participation in the seminar

Web page Developer, Agence d'Innovation Comportementale *February 2020 - September 2021*
Community of French researchers that promote inclusion of behavioral insights in public policies.

Board Member, Scalp ! *November 2019 - Present*
Association that aims to federate the French community of actors of the cognitive sciences & society ecosystem.

Community manager, Evolution & Social Cognition team *October 2019 - January 2021*
Department of Cognitive Sciences, Ecole Normale Superieure

Secretary & Board Member, Cognivence *November 2018 - September 2019*
Student association for the popularisation of cognitive sciences in the Ile de France region. Organization of the biggest annual event in cognitive sciences in France : the Cognitive Sciences Forum ; organization of the welcoming week-end as well as the outing week-end of the cognitive science master.

Member of the regional student committee of bioethics *March 2018 - May 2018*
As part of the General States of Bioethics which is a national citizen consultation on bio-ethical issues that takes place every 5 years in France.

Founding Member, Sant'Egidio Marseille *September 2015 - June 2018*
Marauding association for the homeless in Marseilles.

TECHNICAL STRENGTHS

Languages	Native French, English (Fluent), Spanish (B2)
Computer skills	R, Qualtrics, Labadvance, PsychoPy, LaTeX, WordPress, Foule Factory
Extracurricular training	Data scientist in R (Datacamp), Statistician in R (Datacamp)
