EXPERIENCE HIGHLIGHTS

GREEN CLIMATE FUND

Senior Advisor

November 2013—December 2016

Songdo (Incheon), Korea

The Green Climate Fund (www.gcfund.net) is a new \$10 billion multilateral funding mechanism sponsored by the United Nations Framework Convention on Climate Change (UNFCCC) to help developing countries mitigate and adapt to climate change. As Senior Advisor I provided ongoing management support to Executive Director Héra Cheikhrouhou to launch Fund: preparing policy documents on financing instruments and funding delivery mechanisms for Board consideration; guiding executive recruitment firm for senior recruitments; back office arrangements (Fund trustee agreements, IT, ERP and accounting systems etc.); liaising with donor countries, recipient countries and financial institutions, particularly during the initial resource mobilization period.
