Assurance des étudiants de l’Institut d’études politiques de Paris
Certificate of insurance coverage
2019/2020 academic year

Policy number 4 089 550 K

Name of the insured

Duration of the stay abroad
from ............................................................... to ..........................................................

Country

Coverage (without deductible)

• Material damage and/or bodily injury which might be accidentally caused by the insured to third party during the stay in the above mentioned foreign country:
  – material damage ............................................................... up to 15 000 000 €
  – bodily injury ............................................................... up to 30 000 000 €

  however for the damage all together, the cover is ............................................................... up to 30 000 000 €

• Bodily injury suffered by the insured:
  – in case of accident: cover for medical expenses up to 3 000 €,
  moreover, in case of accident or sudden and unexpected illness: coverage by MAIF Assistance, up to 80 000 €, of medical expenses as are remaining chargeable to the insured after National Health Services have paid their share, and provided that the injury or illness has been treated by entitled practitioners.

• Emergency medical evacuation for medical treatment or repatriation of remains in case of death: without limitation as the expenses would be paid or refunded with a written proof.

• Personal property of students are not covered.
